**HÖR GUT ZU! Fülle die Lücken vom Text des Titelsongs TKKG!**

We are the pros in the chase

We're climbing every mountain and we're solving any \_\_\_\_\_

Come, follow us, \_\_\_\_\_ is our middle name

Putting out the fire before you even see a flame

Listen up, all you \_\_\_\_\_ on the move

We'll follow you, even on the highest roof

No road too long for us because we are pro

TKKG – here we go!

Tom is the sporty one, he is smart and so \_\_\_\_\_

Any kind of injustice to him is quite outrageous

Kyle "the \_\_\_\_\_" he's got all the wits

The crew without him would be totally in bits

Dumpling is really a phenomenon

He has a sweet tooth, he'll eat anything with \_\_\_\_\_ on!

Last but not least, here comes Gabby Bell

And her \_\_\_\_\_ called Molly, the cocker spaniel

We are the pros in the chase

We're climbing every mountain and we're solving any \_\_\_\_\_

Come, follow us, \_\_\_\_\_ is our middle name

Putting out the fire before you even see a flame

Listen up, all you \_\_\_\_\_ on the move

We'll follow you, even on the highest roof

We know all kind of \_\_\_\_\_ and got the brains, you see

Together we are: TKKG!
